

# **JN LIFE INSURANCE COMPANY LIMITED**

## **PRIVACY NOTICE**

### **1. INTRODUCTION**

This Privacy Notice explains how JN Life Insurance Company Limited (“JN Life”) collects, uses, and discloses your personal information, including the types of information we process and the reasons for which we process them. The personal information we collect from you depends on the nature of the services we provide and how we interact with you. This Notice may be supplemented by the Privacy Notice of The Jamaica National Group Limited.

### **2. WHO WE ARE**

JN Life Insurance Company Limited is a subsidiary of The Jamaica National Group Limited (“JN Group”) that provides affordable individual life insurance solutions for Jamaicans who want financial security and peace of mind for themselves and their families or group life insurance for employers and institutions who desire life insurance coverage for their employees and to secure loans and other collaterals.

We are a part of a diversified Group that provide services including banking, insurance, investment management, money remittance, bill payment, information technology and fleet management.

### **3. OUR DATA PROTECTION COMMITMENT**

The JN Group respects our customers, employees, and other stakeholders’ right to privacy and we commit to take great care to safeguard their personal data in our possession. We commit to adopt and observe appropriate data protection standards in compliance with the Data Protection Act, 2020, the General Data Protection Regulations (GDPR) and all other applicable Privacy laws and regulations in the territories in which we operate. Part of our commitment to data protection compliance is our sustained commitment to deploy stringent security measures to protect the personal data entrusted to us.

The JN Group cares about and values data privacy!

### **4. THE TYPES OF INFORMATION WE COLLECT**

We collect various types of information that may identify you as an individual (“personal information”). The personal information that we collect varies depending on the type of product being offered. We collect sensitive personal information (such as health information) only where this is relevant to the product being provided to you.

Most of the Personal Information we collect relates to the individual who is taking out a policy (or individuals where it’s taken out jointly), the individuals covered under a policy or individuals who enroll in our retirement scheme. We may also ask for Personal Information about other individuals if we need it. For example:

- details about beneficiaries; and

- health information about other family members where this is relevant to the risk we're covering.

If you provide us with Personal Information about someone else, we will assume that you have their permission, where required. We will process Personal Information about such individuals according to this Privacy Notice so it may be helpful to bring this Privacy Notice to their attention.

The information we collect from/about you may include the following:

n)	For research, audit, reporting and other business operations purposes, including evaluating business performance.
o)	To tell you about products and services that may be of interest to you including sending newsletters, promotional material, and other communications.
p)	To transfer books of business in the event of a sale or reorganization, including the planning and due diligence processes both prior to and after closure of the transaction.

## 7. WHEN WE SHARE YOUR PERSONAL INFORMATION

We do not rent or sell your information to anyone and will only share your information in circumstances where we are legally permitted to do so. We may share your personal information with the following categories of recipients where necessary to offer, administer and manage the services provided to you:

### a) Within the JN Group

We may share your personal information with other entities or departments within the JN Group for the processing purposes outlined in this Notice.

### b) Third Party Suppliers

We may share your information where we outsource our processing operations to suppliers that process personal information on our behalf. These processing operations will be guided by contract which includes requiring that your personal information be kept confidential and processed in accordance with data protection standards.

### c) Law Enforcement Bodies

We may share your information where necessary to facilitate the prevention or detection of a crime or the apprehension or prosecution of offenders.

### d) Public Authorities and Regulators

We may share your information where necessary for us to comply with our legal and regulatory obligations.

### e) External Auditors

We may share your information with external auditors where necessary for the conduct of company audits.

### f) Credit and Other Risk Management Agencies

We may share your personal information with credit reference, background check, fraud prevention, data validation and other professional advisory agencies where necessary to prevent and detect fraud, during our recruitment process and to assess the risk in relation to the products and services that we offer.

**g) Legal Advisers and Claims Investigators**

We may share your information where necessary to investigate, exercise or defend legal claims, insurance claims or other claims of a similar nature.

**h) Successors of the Business**

We may share your personal information with any person to whom we transfer or may transfer all or any part of our business or assets, from whom we acquire any business or assets or who acquires substantially all the assets of JN Life.

**i) Others**

We may share your personal information with your agent or broker, your employer or other insurance companies or reinsurers in keeping with the standard operating procedures governing the industry.

If JN Life receives your personal information and subsequently shares that information with a third party, JN Life remains committed to ensuring that such third party processes your personal information to the standards required to comply with the Data Protection Act and/or any other applicable privacy laws.

**8. OUR LAWFUL BASIS FOR PROCESSING YOUR INFORMATION**

We rely on the following lawful basis for processing your information:

**Performance of a contract to which you are a party**

We process your personal information where necessary to enable us to open an insurance policy or retirement account, maintain policy and account details, perform administrative tasks, and provide services to fulfil our obligations in the contract with you.

**Compliance with a legal obligation or duty**

We are required by law to collect and process certain personal information about you, when you apply for a product or service, and on an ongoing basis. Please note that if you do not agree to provide us with the requested information, it may not be possible for us to continue to operate your account or provide services to you.

**For the purposes of our legitimate interests or that of a third party**

The collection and use of some aspects of your personal information is necessary to enable us to pursue our legitimate commercial interests. For example, we have legitimate interests in:

- preventing fraud.
- settling legitimate claims.
- ensuring network and information security of our systems.
- operating our business and managing and developing our relationships with you.
- intra-group administrative transfers.

- understanding how you use our products, services and websites and effecting improvements.
- providing you with the most appropriate products and services.

Where we rely on this legal basis to collect and use your personal information, we shall take appropriate steps to ensure that the processing does not infringe on the rights and freedoms granted to you under the applicable data privacy laws.

### **Consent**

Your personal information may be processed based on your request or agreement. Consent is received at that point to provide these services, and therefore, process your information.

Where we rely on your consent to collect and use your information, you are not obliged to provide your consent and you may choose to subsequently withdraw your consent at any stage once provided. However, where you refuse to provide information that we reasonably require to provide a service, we may be unable to offer you that service and/or we may terminate the service provided. Where you choose to receive the services from us, you agree to the collection and use of your personal information in the way we describe in this Notice.

## **9. INTERNATIONAL TRANSFER OF YOUR INFORMATION**

We will only send your data outside of Jamaica for the purposes outlined in this Notice. In particular, we may make such transfers to offer, administer and manage the services provided to you, to improve the efficiency of our business operations, in keeping with your directives and to comply with a legal duty to do so. These countries may not have similar data protection laws to those in your country of residence, however, we will always protect your information on the basis that anyone to whom we pass the information protects it in the same way we would and in accordance with this Notice and applicable laws. Where necessary, we may implement additional technical, organizational, or contractual measures to ensure an adequate level of protection for your personal information.

## **10. ACCURACY OF YOUR INFORMATION**

We rely on the availability of accurate personal information to provide the services to you and operate our business. You should therefore notify us of any changes to your personal information, such as changes concerning your contact details or any other information that may affect the proper management and administration of the services we provide to you.

## **11. RETENTION OF YOUR INFORMATION**

We retain appropriate records of your personal information to operate our business and comply with our legal and regulatory obligations. These records are retained for predefined retention periods that may extend beyond the period for which we provide the services to you. Retention periods are determined based on the type of record, the nature of the activity, product or service, the country in which the relevant company is located and the applicable local legal or regulatory requirements. In most cases we will retain your personal information for no longer than is required under the applicable laws.

We normally keep customer account records for up to seven years after your relationship ends, then the information is securely destroyed. We may also keep your data for longer than seven years if we

cannot delete it for legal, regulatory, or technical reasons, or as necessary to resolve disputes, and enforce our agreements.

## **12. INFORMATION SECURITY**

The security of your personal information is important to us, and we have implemented appropriate security measures to protect the confidentiality, integrity, and availability of the personal information we collect about you and ensure that such information is processed in accordance with applicable data privacy laws.

Some technical and organisational measures used to protect your personal information includes firewalls, anti-virus protections, patches, encryption, software updates, written policies and procedures which are regularly audited, and the audits reviewed at senior level, limiting access to your personal information to those who need it to do their jobs and using CCTV as a deterrent to protect our staff, customers, equipment and your personal data.

## **13. YOUR RIGHTS IN RELATION TO PERSONAL DATA**

You have the following rights under the Data Protection Act in respect of any personal information we collect and use about you:

<b>Your Rights</b>	<b>What They Mean</b>
The right to access your personal data	You have the right to be informed whether, and to what extent, we process your data. Subject to certain exceptions, you have the right to obtain a confirmation as to whether we process your personal data, and if we do, request access to your data.
The right to consent to processing	You have the right to consent to the processing of your personal data. If your personal data is processed based on your consent, you have the right to withdraw your consent at any time. The withdrawal of your consent does not affect the lawfulness of processing based on consent before its withdrawal.
The right to prevent processing	You have the right to object to the processing of your personal data in certain situations.
Rights in relation to automated decision making	You have the right to object to decisions based exclusively on the automated processing of your personal data.
The right to rectification	If the personal data that we process is incomplete or incorrect, you have the right to request their completion or correction at any time.

It is important to note, however, that some of the rights described above can only be exercised in certain circumstances. If we are unable to fulfil a request from you to exercise one of your rights, we will write to you to explain the reason for refusal.

## **14. HOW TO EXERCISE YOUR RIGHTS IN RELATION TO YOUR PERSONAL DATA**

You may exercise any of the rights available to you by contacting us using the information found in the "How to Contact Us" section of this Notice. We will examine your request and respond to you as quickly as possible and in accordance with the Data Protection Act.

## **15. USE OF AUTOMATED DECISION-MAKING**

Where you apply to receive a service from us, we may carry out an automated assessment to determine whether you are eligible to receive the service. This helps us to make sure our decisions are quick, fair, efficient, and correct based on what we know. An automated assessment is an assessment carried out automatically using technological means (e.g. computer systems) and excludes any human influence on the outcome. This assessment will analyze your personal information and may include activities such as pricing, fraud detection and account opening.

Automated decisions can affect the products, services or features we may offer you now or in the future. Where a decision is taken solely by automated means involving the use of your personal information, you have the right to challenge the decision and ask us to reconsider the matter, with human intervention. If you wish to exercise this right, you should contact us.

## **16. MARKETING**

Unless you have told us that you do not want to hear from us, we will send you relevant marketing information by mail, phone, email, text and other forms of electronic communication. If you change your mind about how you would like us to contact you, or you no longer wish to receive this information, you can have your information removed by clicking the *unsubscribe* link at the bottom of each email communication or by contacting us. For the contact information, please look at the "Contact Us" section of this notice.

We may still send you non-promotional communications, for instance, administration related emails concerning your account.

## **17. USE OF COOKIES AND OTHER TECHNOLOGY**

We use cookies and other internet tracking software to collect data while you are using our websites or mobile apps. Cookies allow us to store information about the computer device you use to access our website so that you can conduct business with us easily. They allow us to recognize when you revisit our websites and to evaluate our websites' advertising and promotional effectiveness. We use both our own (first party) and partner companies' (third party) cookies to support this activity.
